Hey Ya'll!

Please find attached the director's assignments for supervising rehearsals at All-State. It is very important that you fulfill this obligation. If you have any questions, please contact Lia Holland.

Remember to check with your All-State students to make sure they are still planning to attend. If not, notify the Chairperson immediately, so Alternates may be moved up. It would be a shame for a student to miss the opportunity to be in All-State because someone failed to report an absence. Alternates may be placed up to twenty-four hours before the first rehearsal.
