You have the option of ordering music from other vendors. However, it would be wonderful to order from JW Pepper if possible, since they have been very kind to provide black folders with gold lettering for the honors choir event. As soon as the folders arrive, I will give them to you at the next MTVA meeting or mail them to you. I will make a rehearsal CD and send it to you as soon as I can. Please let me know if you have any questions in the coming months.
