Re: Room sharing for all-state

Directors, because of the enormous expense of staying at the Renaissance Hotel for all-state, I am compiling a list of names of directors who would like to room share with another director AND directors who need assistance in placing students with other directors who need to place students. If you are interested in acquiring a roommate OR need help placing a student(s), simply fill out this form and email the information back to me. I will then compile the contact information and email it to directors wanting to room share or get assistance placing a student. It will then be up to the director to make contact, finalize details, and arrange payment. If you have any questions, please email or call me at 615-904-3850 x23074 / pattong@rcschools.net
