

**ENTRANCE INSTRUCTIONS FOR FIRST  
UNITED METHODIST CHURCH in MURFREESBORO**

**DIRECTORS SHOULD ENTER TO REGISTER THEIR PERFORMANCE GROUPS BEFORE RELEASING ANYONE OFF BUSES. There is almost NO CHANGING SPACE available, so in all possible cases, please come dressed and ready to perform.**

## **INTERIOR PHOTO OF THE CHURCH SANCTUARY/PERFORMANCE AREA**

**Please note: This year, we will be using 7 sets of 3 step choral risers, rather than the four step sets that we have used in previous years. Also, it is our intent that the piano will be positioned in front of the choral risers in the center of the stage to avoid sight/balance issues that have been concerns in the past.**

**Entrance to the stage will be from stage right (left side as you are looking at this photo.) Once your choir is finished, you will exit to the SAME side of the stage and down the stairs to the basement choir room, which will be our sight reading room this year.**
